SitRep Date/Time: April 7, 2020; 6:00pm

“We Will Get Through This. We Will Get Through This Together.” Governor Andy Beshear

CURRENT SITUATION

Governor Beshear declared a State of Emergency for the Commonwealth of Kentucky on March 6, 2020

Kentucky SEOC is at a Level 3 activation, staffed from 8:00am to 8:00pm

For all the actions taken by Governor Beshear, go to <https://governor.ky.gov/covid19>

Kentucky has 1,149 (+147) confirmed cases: see the [KDPH Dashboard](#) for specific county cases

Kentucky has 65 (+7) confirmed fatalities

Kentucky has tested 19,955 (+4,383) individuals

Kentucky has 306 (+242) patients that have recovered

Kentucky has 84 (+2) counties reporting at least one positive case

Governor Beshear has identified three areas of particular concern and focus, based on new or increased confirmed cases

Long-Term Care Facilities: 21 different facilities reporting a total of 77 confirmed cases (55 residents, 22 staff) and 11 deaths

Green River Correctional Complex: 14 confirmed cases (9 inmates, 5 staff) with no fatalities

Western State Hospital: 13 cases (9 patients, 4 staff) with no fatalities

STATE PLANNING EFFORTS

Community Based Drive-Thru Testing Centers

Evaluating available test kits and PPE to sustain operations and validating online appointment software

Low Acuity Isolation Centers

ESFs and State Partners are working to finalize a plan framework

Coordination made with additional facilities to serve as a Low Acuity Isolation Center

Alternate Health Care Facility (AHCF) Plan

USACE completed site plan for a 2,000-bed AHCF at the KY Expo Center, evaluating wrap-around service contracts

32 hospitals currently conducting a two-tiered COVID-19 testing system. 26 additional hospitals preparing to begin the two-tiered COVID-19 testing system

The goal is to test an average of 2,000 individuals across Kentucky per day, based on tests availability

Virtual SEOC Plan

Plan is under development

Patient Transport

Working on guidance with ESFs and state partners for transport to a multitude of facility types and appointments

Food, Water, and Sheltering

Energy

There are no identified energy disruptions for today

The EIA released the Short Term Energy Outlook for April. The COVID-19 pandemic has caused significant changes in energy fuel supply and demand patterns. EIA SEO documents will be loaded into WebEOC

RECOVERY

COVID-19 Major Disaster Declaration - DR-4497, declared March 28, 2020

Category B is limited to activities taken to ensure public health, save lives, ensure safety such as operation of an Emergency Operation Center, National Guard Activation, and Law Enforcement

The Governor has requested other PA categories, Individual Assistance, and Mitigation

Beginning April 2, the KYEM website will contain PA-specific information and documents produced by FEMA

To access information, go to www.kyem.ky.gov, click on "Recovery", and select "COVID-19" from the drop-down menu. Email questions for help or clarification to pa.help@ky-em.org

The COVID-19 Survey123 app for recovery expenses will be released tomorrow to all county emergency managers. Use it to report COVID expenses twice a month; once an expense is reported, do not report it again

Maintain documentation and records of all: employee costs specific to COVID-19 (regular, overtime), contractors used for response efforts, equipment used for COVID-19 such as vehicles, supplies needed for response, materials used for COVID, and sheltering

Any entity establishing non-congregate or medical shelters and wanting FEMA reimbursement, must request permission from FEMA through the KYEM Director PRIOR to opening

Major components for considering a non-congregate or medical sheltering are: Local Health Department must issue an order, defining shelter occupants: i.e. at risk, responders; how shelter site was chosen, how reasonable cost were determined, estimate of how many occupants, estimate of how long, and estimate of total cost

Go to the KYEM Recovery COVID-19 page for detailed guidance: www.kyem.ky.gov/Recovery_COVID-19

REMINDERS

Emergency Procurement: To ignore federal procurement requirements, is to jeopardize FEMA reimbursements. Documentation: Establish and maintain accurate records to support the "who, what, when, where, and how much" of all efforts, activities, and expenditures related to COVID

SBA Emergency Economic Injury Disaster Declaration: business can apply on line at www.sba.gov

UNEMPLOYMENT INSURANCE

No date set on receiving the additional \$600 Federal Unemployment Insurance money, but will be retroactive to March 29

An additional 1,000 to 1,200 call center operations on board to assist with UI claims

LOGISTICS SECTION

Resource Requests

In Progress: 241

Completed: 533

ESF 7-Logistics creating a process for resource management. Continued working with ESF partners to get accurate reports on resource requests and the status of current requests, including push of hand sanitizer and disinfectant chemicals to regional distribution hubs

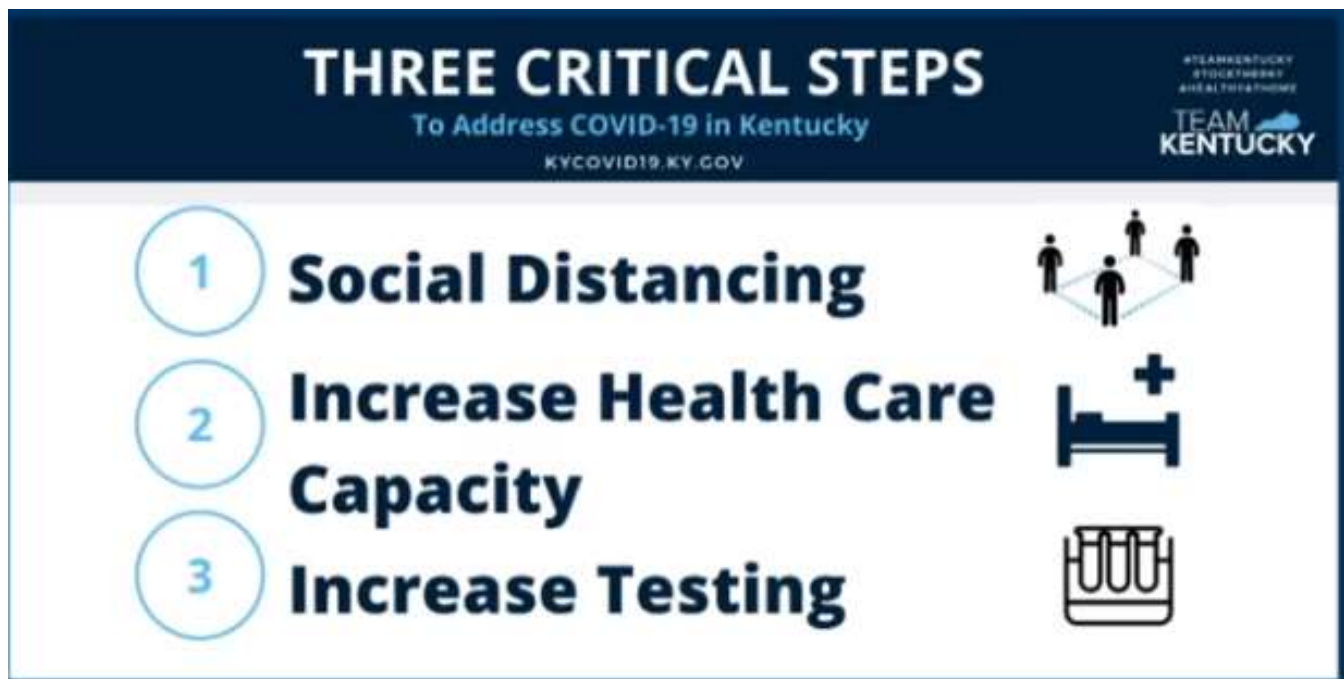

A Procurement Board was created to track costs of requests for the mission

FEMA is currently working 36 resource requests

The PPE donation hotline is 833-448-3773 or giveppe.ky.gov. Donations may be dropped off at all KSP Posts and at Transportation Cabinet offices in Louisville and Lexington

PPE burn rates are required by FEMA and must be report daily in WebEOC using the Survey123 app

Vendors offering services, supplies, equipment, manufacturing, and/or facilities are to submit their offers at tinyurl.com/kyemcovid
